

*G*reat Harbor Yacht Club (GHYC) is the first yacht club built on Nantucket in over 100 years.

GHYC is located on Nantucket's picturesque waterfront and offers exceptional amenities and stunning views. The Club offers programs on sailing, tennis, fitness, fishing, general boating and a variety of social and educational activities for those young and old who find themselves moved by Nantucket.

The Clubhouse

Carefree and elegant, the Clubhouse offers social and dining options to Members of all ages. Located on the first floor, the Grill Room spills out onto covered decks for al fresco dining. It offers casual fare for lunch and dinner in a relaxed atmosphere. The Dining Room, located on the second floor of the Clubhouse, offers a sophisticated menu and an unparalleled waterfront dining experience with moonlit views of the harbor, the creeks, and the Brant Point Lighthouse.

The Clubhouse was also designed with several beautifully appointed meeting rooms that are well suited for smaller cocktail parties, social events, bridge club or other meetings. The Great Room, a one and a half story antique post and beam structure, is ideal for large Club functions such as lectures and the Club's Annual Party. The space is also the perfect backdrop for a storybook Nantucket wedding.
